Four Support grants of up to \$1000 are available for non-profit/community groups or individual artists to support and develop arts and culture in Williams Lake and the Central Cariboo (CRD Areas D, E, and F). - Is the budget reasonable and does it show some financial or in-kind contribution by the applicant?
- If the applicant has received a previous CCACS grant, did they comply with all applicable conditions attached to that grant?

Individual Support Grants Criteria:

Capital Acquisition Grants

- Is the capital purchase likely to facilitate and/or support the artistic activities of the organization?

General Program Support Grants

- Will the proposed activity enhance an existing program?

Community-Based Support Grants

- Is the proposed activity community-based and arts-focused?

Professional Development Grants

- How does the applicant propose to show how the professional development activity will benefit not only their own practice, but also the general community and local artists?

Applications for CCACS Support Grants are adjudicated by the CCACS Directors, and awards will be made by the Central Cariboo Arts and Culture Society, subject to the availability of funds.

NOTIFICATION:

Applicants will be notified of results by letter from the CCACS, by December 21, 2018 for Intake #1, and by June 28, 2019 for Intake #2. Results are not released over the telephone.

CONDITIONS OF FUNDING:

- All funding is subject to the availability of funds.
- Successful applicants must acknowledge the support of the Central Cariboo Arts and Culture Society on all promotional materials, advertising, and programs related to the funding. *Acknowledgements must be approved by the CCACS Executive Director prior to usage.* This is an important condition of receiving a grant because it informs the public of sources of support, and encourages public support for public funding of the arts.
- Grants may only be used for the purposes outlined in the application. Material changes to the nature or scope of the project must be reported promptly to CCACS. In such cases, CCACS may require full or partial repayment of the grant. Grant recipients who have not completed their project within the six month allotment must also notify CCACS. Grants must be repaid in full to the CCACS if the grant recipient (organization) ceases operating or dissolves prior to completion of the project.

- CCACS Directors and staff do their best to attend client performances and events. Grant recipients are required to send CCACS information on any public performances or events presented in the context of their grant-supported activities. This information should be mailed/delivered or e-mailed to the CCACS Executive Director. The Executive Director will also ensure your information is advertised through the CCACS website and Facebook page, and any posters provided will be posted at the Central Cariboo Arts Centre.
- Grant recipients are required to file a Project Grant Report with the CCACS within one month of the project's completion. *Applications for future grants will not be considered until reports on previous grants have been received and approved by CCACS.* These reports help us to evaluate the achievements of funded activities in the community; monitor the effectiveness of our grant programs; and report to stakeholders how funds are spent. Successful applicants will receive an outline of what to include in their report.

Failure to adhere to the conditions of funding will have an adverse effect on future applications to CCACS grants programs, and may result in ineligibility.
