

CCACS GRANTS: INFORMATION & GUIDELINES

The Central Cariboo Arts and Culture Society (CCACS) promotes and supports arts and culture and the creative impulses necessary for their development in the Central Cariboo. In 2009, the Cariboo Regional District developed an [arts and culture function](#), passing a bylaw allocating tax revenue to arts and culture within the Central Cariboo region (City of Williams Lake and CRD Areas D, E, and F). The CCACS was formed in 2010 as a BC registered non-profit society, with a mandate not only to administer this function, but also to serve the many existing independent cultural organizations and events, and to facilitate the development of arts and culture in the central part of the region. By doing so, the CCACS provides an accountable, transparent, and neutrally administered process for the arts and culture function and the allocation of the function's funds.

CCACS GRANTS

Four streams of grants are available for existing non-profit organizations or community groups in Williams Lake and the Central Cariboo (CRD Areas D, E, and F) to support and develop arts and culture initiatives within this region. The funding for these grants is courtesy of the City of Williams Lake and the Cariboo Regional District ([Central Cariboo Arts & Culture function](#)), subject to the availability of funds. Organizations may apply for grants in amounts between \$500 and \$3000.

The CCACS offers two grant application intakes per year:

- **SPRING intake:** The deadline is May 15th by 4:00pm for activities/projects taking place between July 1st and June 30th.
- **FALL intake:** The deadline is November 15th by 4:00pm for activities/projects taking place between January 1st and December 31st.

- **CAPITAL ACQUISITION GRANTS** are available to facilitate and support the artistic activities of the organization or group through capital purchases.

ADJUDICATION

Applications for grants are adjudicated by panels made up of CCACS Directors and members of the arts and culture community who recommend to the CCACS Board which applications should be supported and the dollar amount of that support. Each panel is chaired by a CCACS Director and/or the Executive Director. The role of the Chair is to provide information, manage the process and record the panel's decision. The Chair does not make a judgment on the applications. Awards will be made by the Central Cariboo Arts and Culture Society, subject to the availability of funds from the City of Williams Lake and the Cariboo Regional District via the Central Cariboo Arts and Culture Function.

CONSIDERING CULTURAL CONTEXT

In 2019, the CCACS Board adopted Guiding Principles for Collaborating with Indigenous Peoples in CCACS Programs and Projects and made a commitment to administer programs and projects in accordance with the standards and principles of the [United Nations Declaration of the Rights of Indigenous Peoples](#) (the Declaration). The CCACS supports the Province of British Columbia in its

commitment to fully adopt and implement this important document, and follows the BC Arts Council in their considerations of cultural context.

In consideration of this commitment, all applicants and adjudicators should contemplate a variety of factors around cultural context when submitting a funding application to the CCACS. Not all considerations will apply to all applications.

The CCACS' Guiding Principles are:

- The Board of Directors and CCACS staff respect the culture, diversity and unique interests of Indigenous peoples in the Central Cariboo, and support their inclusion and participation in all programs, activities and facility use.
- The CCACS will collaborate with Indigenous peoples to the best of its ability and availability of resources. Collaboration will be intended to directly support Indigenous arts and culture and may reflect the past, present and/or future of Indigenous peoples in the geographic area it serves.
- CCACS programs and funded projects will exclude any type of cultural appropriation of Indigenous art or culture. This includes the use of cultural forms, aesthetics or iconography removed from their social, political and cultural roots.
- Grant applications involving Indigenous culture or knowledge, where appropriate, must include written permission from the relevant Band or Indigenous community.

Please also consider that cultural appropriation can also occur when there is insufficient credit given to the sources of any artistic and cultural work. Cultural appropriation diminishes access and reduces the opportunity for artists from Indigenous and diverse cultural communities to tell their own stories. (BC Arts Council).

NOTIFICATION

Applicants will be notified of results by letter from the CCACS within eight weeks of the application deadline. Awards will be made payable to the name of the organization listed on the application.

CONDITIONS OF FUNDING

- All funding is subject to the availability of funds.
- Successful applicants must [publicly acknowledge the support](#) of the Cariboo Regional District and City of Williams Lake via the Central Cariboo Arts and Culture Society on all promotional materials, advertising, and programs related to the activities, event, or project being funded. Acknowledgements must be approved by the CCACS Executive Director prior to usage. This is an important condition of receiving a grant because it informs the public of sources of support, and encourages public support for public funding of the arts.
- Grants may only be used for the purposes outlined in the application. Material changes to the nature or scope of the activities, event, or project must be reported to CCACS in advance to the changes, and may require approval by the CCACS Board. In such cases, CCACS may require full or partial repayment of the grant. Grant recipients who may not be able to complete their activities, event, or project within the one-year time period must also promptly notify CCACS. Grants must be repaid in full to the Cariboo Regional District if the grant recipient ceases operating or dissolves prior to completion of the activities, project, or event.

- CCACS Directors and staff do their best to attend client activities, projects, and events. Grant recipients are required to send to the CCACS any information on public performances or events presented in the context of their grant-supported activities, projects, or events. This information should be mailed/delivered or e-mailed to the CCACS Executive Director. The Executive Director will also ensure your information is advertised through the CCACS website and Facebook page, and any posters provided will be posted at the Central Cariboo Arts Centre. We want to see your events or activities well-attended, and are happy to support your advertising efforts by sharing to our networks.
- Grant recipients are required to file a CCACS Grant Report with the CCACS within two months of the activities, project, or event's completion, using the [reporting template](#) available on the CCACS website or by request from the Executive Director. Applications for future grants will not be considered until reports on previous grants have been received and approved by CCACS. These reports help us to evaluate the achievements of Arts and Culture Function funded activities in the community; monitor the effectiveness of our grant programs; and report to stakeholders how funds are spent. Any reporting may be shared with the appropriate committee(s), board(s), Cariboo Regional District and/or City of Williams Lake staff, and consultants. General information about awarded grants and reporting, including photos/media, may also be shared with the public and/or used for promotional purposes.
- **Failure to adhere to the conditions of funding will have an adverse effect on the applying organization's future applications to the CCACS Grants Program, and may result in ineligibility.**
